**Amateur Radio Field Day June 23<sup>rd</sup> – 25<sup>th</sup>, 2017:**

ARRL Field Day is the most popular on-the-air event held annually in the US and Canada. On the fourth weekend of June, more than 35,000 radio amateurs gather with their clubs, groups or simply with friends to operate from remote locations. Field Day is an education event that is self sufficient and teaches Amateurs to operate in abnormal situations in case of emergency instances. June 23-25<sup>th</sup> a local Amateur Group in the Hiawatha/Cedar Rapids area would like to use Clark Park as a designated location. With that said it would require that the park stay open 24 hours, past our 10PM curfew. There would be 24 hours shifts that these Amateurs would cover to connect with as many stations as possible that weekend (the whole objective of the event). The park would still be open to the public besides the disc golf course. They would need to set up portable antennas that would be between 30-40ft high. This group carries insurance and is very self efficient. This year the Hiawatha Fire Department will not be involved so we will be asking for a \$1,000.00 refundable damage deposit along with the Clark Pavilion Rental. I would like your approval for this event to take place in the park on June 23-25<sup>th</sup> and to extend park hours for the length of this event.

Motion made by Dan Wilkes, second by Dan Gogel to approve the Cedar Valley Amateur Radio Club's request to hold Amateur Radio Field Day at Clark Park the weekend of June 23-25, 2017 . Motion carried.

**Kona requested by the Arc for Sunday Fun Day event on September 17<sup>th</sup>, 2017:**

The Arc of East Central Iowa would like to request that Kona Ice of Cedar Rapids be onsite at their annual Sunday Fun Day event on Sunday, September 17<sup>th</sup>, 2017 from 1-3pm. They would like to provide a treat that is sugar, gluten and nut free which Kona Ice provides. The Arc works with developmental disabilities and people that need to follow strict dietary guidelines. They have already rented a park pavilion for their event. Kona would only be able to serve to the Arc's event guests.

Motion made by Dan Wilkes, second by Dan Gogel to approve the Arc of East Central Iowa's request to allow Kona Ice at Tucker Park on Sunday, September 17<sup>th</sup> from 1-3PM. Motion carried.

### **HKL request to install solar panel on concession stand:**

The Hiawatha Kids League has applied for a grant through Rockwell Collins to acquire a small solar panel device and power supply with the intent to install on the Guthridge Park concession stand. This would power the refrigeration units, lighting and popcorn machine. HKL will find out if the grant is approved on April 21<sup>st</sup>. My concerns with this project are that they use the concession stand for about three months out of the year and we cannot guarantee that there will not be any damage done by park users. They currently pay on average about \$300.00 per month during the usage of the concession stand. They will not see a cost savings right away but over time.

Motion made by Dan Wilkes, second by Dan Gogel to table Hiawatha Kids League request until additional information is provided. Motion carried.
