

Minutes

Hiawatha Storm Water Advisory Committee

December 21, 2017 at 5:00 pm-6:00pm

City Hall Multi-purpose Room

1. Call to order-Present:

Kevin Neuendorf

Ethan Ronnebaum

Ted Martin

John Bender-City Engineer

Patrick Parsley-Community Development Director

Cindy Kudrna-Finance Director

Kim Downs-City Administrator

2 Minutes: John Bender provided the minutes of the October 5, 2017 meeting.

3 Discussion:

- a. Discussion of Chapter 101, Storm Water Drainage System:
 - i. The discussion of the current Section 101.03, Rates.
 - ii. Discussion of current and previous storm water rates.
 - iii. The discussion of two proposals for storm water rates for FY 19 budget.
 - iv. Discussion of storm water projects completed over previous years that did not utilize storm water utility funds.
 - v. Discussion of the ever increasing requirements of cities in Iowa with the MS4 Permit from the Iowa Department of Natural Resources.

- vi. Discussion of current storm water utility rates from neighboring cities and other cities in Iowa of similar population to Hiawatha.

- b. Recommendations to Council

- i. After the discussion of this ordinance, it will be the recommendation of the storm water advisory committee to the City Council that proposal (2) be accepted adjusting the rate for a residential unit at \$3.25/month, and the business, commercial, or industrial rate at \$5.50/month. These rates to be used for budgeting revenue for FY19.

4 Other business:

- a. Future ordinance to review is Chapter 161, Flood Plain Management.

5 Other discussions

- a. Next meeting proposed March 22, 2018, TBD.

6 Adjourn
