## BECOME A HIAWATHA PARKS AND REC VOLUNTEER TODAY!

Coach Pankit has been coaching his daughter's soccer teams since the summer of 2016. When asked about his experience he replied, "Becoming a coach for our kid's soccer team was an easy decision. It would enable me to spend more time with them while also helping them improve their skills and sportsmanship. What started as a one-off summer activity became a tradition. I have coached our kids' soccer teams for 6 years now, and have immensely enjoyed every bit of it. We have continued long enough that our older daughter is now the co-coach for her little sister's team with me! Getting involved in the community, while having fun with your child is an added benefit, and Hiawatha Parks and Recreation does a great job of providing you with the tools, training and resources needed to help make your coaching experience easy and successful. All in all, it's a very fulfilling experience and I highly recommend it to any parent that would like to get more involved in their kids' activities and the community."

## Hi WATHA ADOPT A STREET TREE PROGRAM

FREE

We need your help in rebuilding our urban canopy! Hiawatha lost nearly 600 right-of-way trees. As part of the Derecho recovery efforts, Hiawatha has made replanting trees a priority over the next several years.

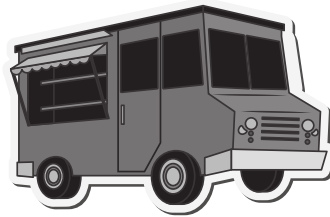

Simple acts of stewardship go a long way! Help Hiawatha replant so we can enjoy the numerous benefits that a lush urban canopy provides!

We invite you to plant a FREE street tree in the right-of-way of your residence. These trees are provided through Trees Forever and Local Option Sales Tax Dollars with limited quantity available. First come first serve!

The primary goal of the Adopt a Street Tree program is to help plant new trees in the Hiawatha Community, while caring for the newly-planted tree during its establishment. Caring for a tree during its establishment period (4-5 years) increases the likelihood of its survival. Your assistance helps rebuild the City Canopy while helping City Staff with tree maintenance needs.

## 711 Kainz Dr.

Located right off the Cedar Valley Nature Trail

Area pet owners now have a new dog park, the first for Hiawatha, to visit with their furry friends. The roughly 2-acre park is located just south of Boyson Road along the Cedar Valley Nature Trail. It came together thanks to agreements between the City, Linn County and nearby Dave Wright Auto. The collaborative efforts have created a dog park unlike any other in the area! We are excited to provide your K-9 companion/s a place they can exercise, play and enjoy the outdoors!

### DOG PARK RULES

- Use of the Dog Park is at the owner/handler's own risk. Users agree to hold the City of Hiawatha harmless for any injury or damages to person or property while using the Dog Park.
- Hours of the Dog Park are sunrise to sunset.
- Puppies younger than 16 weeks old are not allowed in the Dog Park.
- Dogs with known histories of aggression, fighting or biting are not allowed in the Dog Park. Any dog exhibiting aggressive or unruly behavior is required to be removed by the handler immediately. Dog owners will be held liable for their dog's actions. If your dog gets into an altercation please exchange contact information with the other dog owner(s).
- Dog handlers must be a minimum of 16 years old. Children 15 and younger must be accompanied by an adult at all times.
- There is a maximum of two dogs allowed per handler.
- No wheeled or motorized vehicles are allowed in the Dog Park unless used for a disability.
- Dogs must enter and exit the Dog Park on a leash. Once inside the fenced Dog Park, handlers may unleash their dog. Dog handlers are responsible for carrying a leash for each dog within the park while staying within eyesight and voice control of their dog(s) at all times. Dogs cannot be left unattended at any time.
- All owners/handlers must clean up after their dog(s) in all areas of the Dog Park. Please use the provided waste bags and receptacles within the Dog Park.
- Dogs are not allowed to dig inside the Dog Park. Dog owners are responsible for filling in any holes created by their dog(s).
- Female dogs in heat are not allowed in the Dog Park. Non-neutered male dogs should be closely monitored at all times.
- No animal or human food is allowed within the Dog Park, other than small training treats.
- Electric, metal, prong, pinch or spike collars are not allowed in the Dog Park.
- Sick, lame or injured dogs are not allowed in the Dog Park.
- Dogs must be current on all vaccinations. Dog Handlers must have vaccination documentation with them when visiting the park.
- In the Small Dog Area, dogs must be less than 13" at the shoulder and weigh no more than 25 pounds.
- All dogs are allowed in the Large Dog area, but please keep in mind that it is possible for small dogs to be accidentally injured by larger dogs.
