BOARD OF APPEALS

Appeal for interpretation of the Building Code

Project address _____

Type of construction _____

Building use _____

Owner's name _____ Phone _____

Owner's Address _____

In accordance with the provisions of Section 112 of the International Building Code and in accordance with the provisions of Section R112 of the International Residential Code for One and Two Family Dwellings (IRC) as modified and referenced in Hiawatha Building Regulations, Chapter 155, Hiawatha Code of Ordinances, I hereby appeal to the Building Board of Appeals the determination made by the Building Official relative to the interpretation of Section:

In order that I might construct the above building or portion thereof as proposed and shown on the attachments.

Appellant is advised to prepare the case and submit any documentation in support of the appeal.

Appellant and/or an authorized agent may appear to present reasons for granting an appeal at the time of the scheduled meeting.

Signature of owner or appellant
