Hassan Igram from Cedar Graphics Discussion on History Book

Hassan Igram from Cedar Graphics discussed the process for publishing the history book and said the most important details to work out are page size, number of pages and paper type.

Igram said it would be helpful to have the total number of pages in multiples of 4 or 16, for example 96 pages or 160 pages. Book will be hard backed and sewn at the edge potentially with a book cover and landscape format.

Igram stated there would be a three (3) week turn around to complete the book once everything is sent to Cedar Graphics.

City Clerk Kornegor and Deputy Clerk Graber will meet with Cedar Graphics staff to determine the format for photos for the book.
