Online Account Reminders...

Facility Rental Policy I You are able to rent facilities one year in advance from the current date. For example, you can rent the community center and pavilions on May 1st, 2025 for May 1st, 2026. All rentals must be made 72 hours in advance.

Household Accounts I Please make sure to set up your household account and add ALL family members to your account to make the registration and reservation process quick and easy. Please verify all contact information is correct (phone number, email, address, date of birth, etc.).

Accessing Your History I You can check your registration and reservation history by logging into your Sportsman account. You can view all members of your household and click on the member whose history you wish to view.

Waitlists I Once programs are full, you can elect to be added to a class waitlist, if available. This will only allow you to do this one time. We will do our best to try and accommodate people on waitlists when possible. Waitlist status does not guarantee you a spot in that program.

RecAssist I If you or your child would like to participate in a program but cannot afford the fee, please contact the Parks and Recreation office at (319) 393-1515 to discuss your options. Financial assistance is available for those who qualify.

Program Surveys I After the completion of the program, you may receive a post program survey. We ask that you please take a moment to tell us about your experience. Our goal is to offer quality programming, and your feedback is key to helping us attain that goal.
