SIDEWALK MAINTENANCE PROGRAM

CHAPTER 136: SIDEWALK REGULATIONS (excerpts)

136.07 PERMIT/BOND REQUIREMENT.

1. Permit. No person shall remove, reconstruct or install a sidewalk unless such person has obtained a permit from the City and has agreed in writing that said removal, reconstruction or installation will comply with all ordinances and requirements of the City for such work. Permit fee shall be set by resolution of the City Council.
2. Penal Bond/Maintenance Bond. No person shall commence removal, reconstruction or installation of a sidewalk until a bond is posted pursuant to Section 135.09 (5) (A) & (B). Property owners who perform the work to remove, reconstruct or install a sidewalk abutting their property shall be exempt from the requirements under Section 135.09 (5) (A) & (B).

(Ord. 815 – Jan. 15 Supp.)

136.08 SIDEWALK STANDARDS. Sidewalks repaired, replaced or constructed under the provisions of this chapter shall be of the following construction and meet the following standards: Sidewalks repaired, replaced, or constructed under the provisions of this chapter shall be of the following construction and meet the following standards:

Construction. Sidewalks shall be constructed as specified in the most recent Engineering Standards as adopted and amended by resolution by the Hiawatha City Council in accordance with Hiawatha Code Section 165.58.

Amend SUDAS Design Manual Chapter 12A-Sidewalks, Section B. Sidewalk Classes by adding sub item #4 as follows:

4. General Specifications: These additional general specifications shall apply to all sidewalks in Hiawatha unless noted otherwise:

a. All sidewalks shall be at least five (5) feet in width.

b. All sidewalks shall be Class B sidewalks placed one (1) foot from the edge of the right of way unless noted otherwise and approved by City Council.

(Ord. 815 - Jan. 15 Supp.)

136.09 BARRICADES AND WARNING LIGHTS. Whenever any material of any kind is deposited on any street, avenue, highway, passageway or alley when sidewalk improvements are being made or when any sidewalk is in a dangerous condition, it shall be the duty of all persons having an interest therein, either as the contractor or the owner, agent, or lessee of the property in front of or along which such material may be deposited, or such dangerous condition exists, to put in conspicuous places at each end of such sidewalk and at each end of any pile of material deposited in the street, a sufficient number of approved warning lights or flares, and to keep them lighted during the entire night and to erect sufficient barricades both at night and in the daytime to secure the same. The party or parties using the street for any of the purposes specified in this chapter shall be liable for all injuries or damage to persons or property arising from any wrongful act or negligence of the party or parties, or their agents or employees or for any misuse of the privileges conferred by this chapter or of any failure to comply with provisions hereof.

SIDEWALK MAINTENANCE PROGRAM

136.10 FAILURE TO REPAIR OR BARRICADE. It is the duty of the owner of the property abutting the sidewalk, or the owner's contractor or agent, to notify the City immediately in the event of failure or inability to make necessary sidewalk improvements or to install or erect necessary barricades as required by this chapter.

136.11 INTERFERENCE WITH SIDEWALK IMPROVEMENTS. No person shall knowingly or willfully drive any vehicle upon any portion of any sidewalk or approach thereto while in the process of being improved or upon any portion of any completed sidewalk or approach thereto, or shall remove or destroy any part or all of any sidewalk or approach thereto, or shall remove, destroy, mar or deface any sidewalk at any time or destroy, mar, remove or deface any notice provided by this chapter.
